

99. BATTLE AND VICTORY

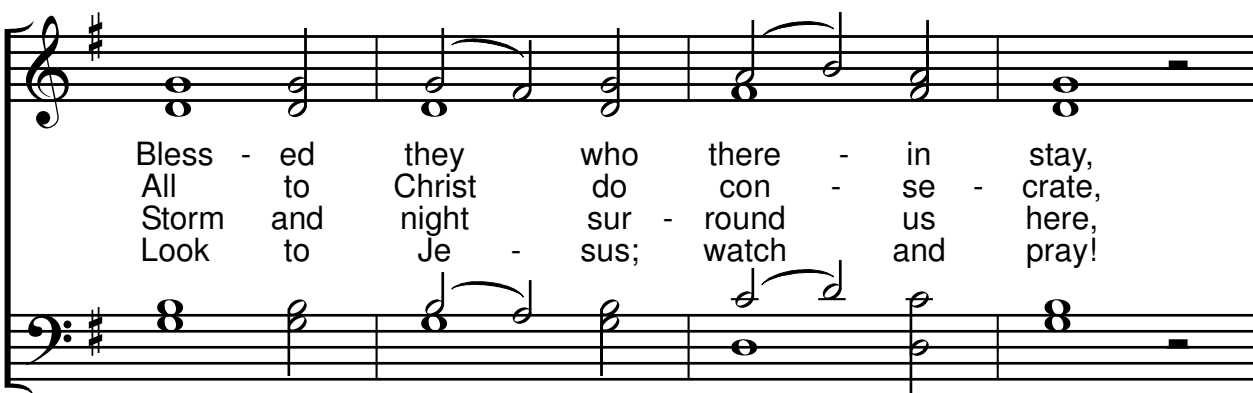

104, 119, 243, 253.

1. Steep and thorn - y is the way
 2. Their re - ward is tru - ly great
 3. Draw, O Lord, us near to Thee;
 4. Up then, com - rades; wend your way

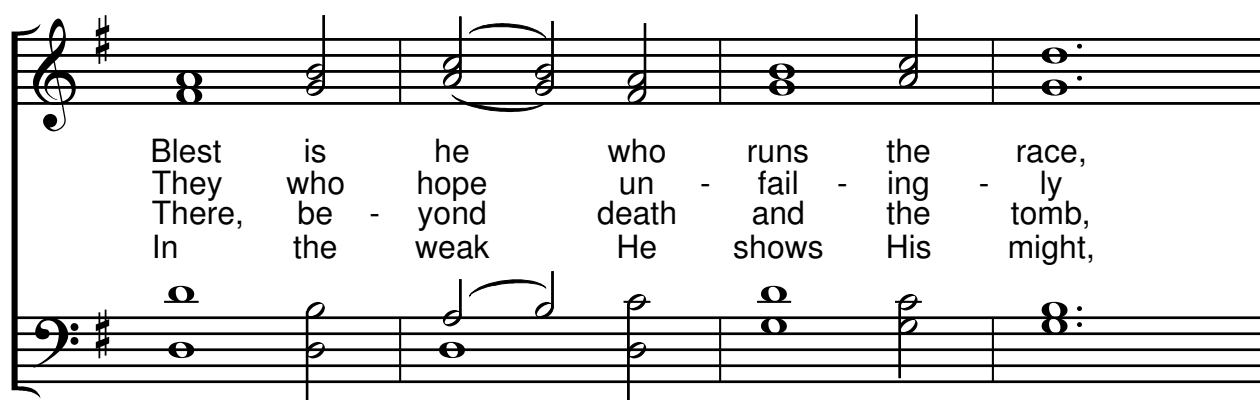

Lead - ing us to the full per - fec - tion;
 Who, un - to the end en - dur - ing,
 Draw to Thee each val - iant fight - er.
 Through the wil - der - ness with cour - age;

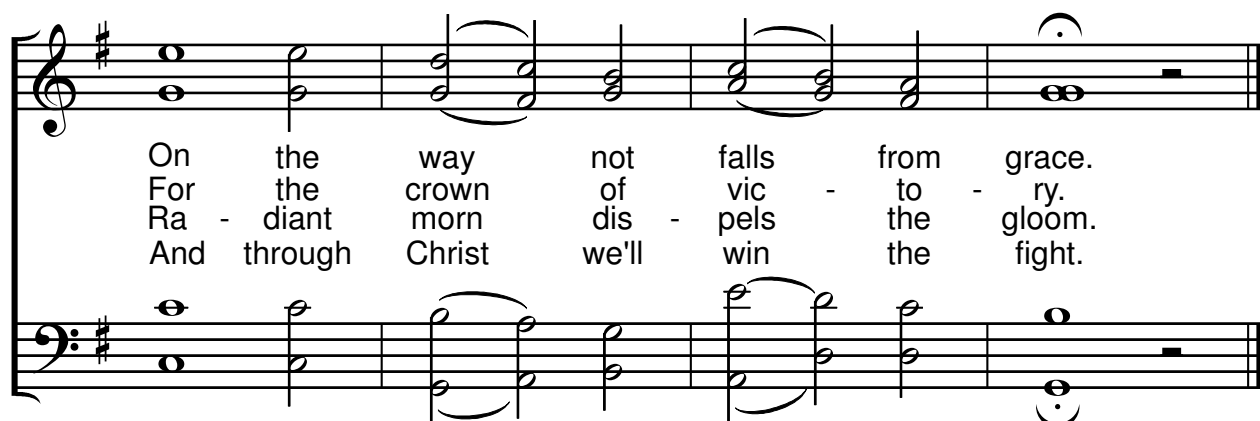

Bless - ed they who there - in stay,
 All to Christ do con - se - crate,
 Storm and night sur - round us here,
 Look to Je - sus; watch and pray!

Bat - tling un - der Christ's di - rec - tion.
 Flee the world - ly lust al - lur - ing.
 But a - bove 'tis calm and bright - er.
 God pre - pares you for the con - flict;

Blest is he who runs the race,
 They who hope un - fail - ing - ly,
 There, be - yond death and the tomb,
 In the weak He shows His might,

On the way not falls from grace.
 For the crown of dis - vic - to - ry.
 Ra - diant morn of dis - pels to the gloom.
 And through Christ we'll win the fight.
