5. Now it is accomplished! My soul He hath healed;
A portion in heaven to me He hath sealed.
O, may He direct me through joy and through ill;
I'll never forsake Him, but follow Him still.
6. Now it is accomplished, O covenant blest!
His will on my heart and my tongue is impressed;
To speak or keep silence as He shall command,
With prayer and with worship before Him to stand.
7. Ah, now it is done! Now I live unto Thee;
My Light and my Life, oh, abide Thou with me!
To follow Thee ever shall be my sole aim
Thro' shade or thro' sunshine, thro' honor or shame.
8. Ah, now it is done! Now I fear not to die,
For death hath no terrors when Jesus is nigh.
The body from pain and from labor hath rest;
The spirit soars up to the home of the blest.
9. Now it is accomplished! Though deep in my soul
I fear lest in weakness I stray from the goal;
Yet I will not waver, my Saviour is kind;
I trust in His mercy; thus courage I find.
10. Now it is accomplished! With heart and with mind
To Thee, my dear Saviour, I now am resigned!
I'll ever be faithful in life and in death,
Abiding in Jesus unto my last breath.
