

100. THE SUPREME SACRIFICE

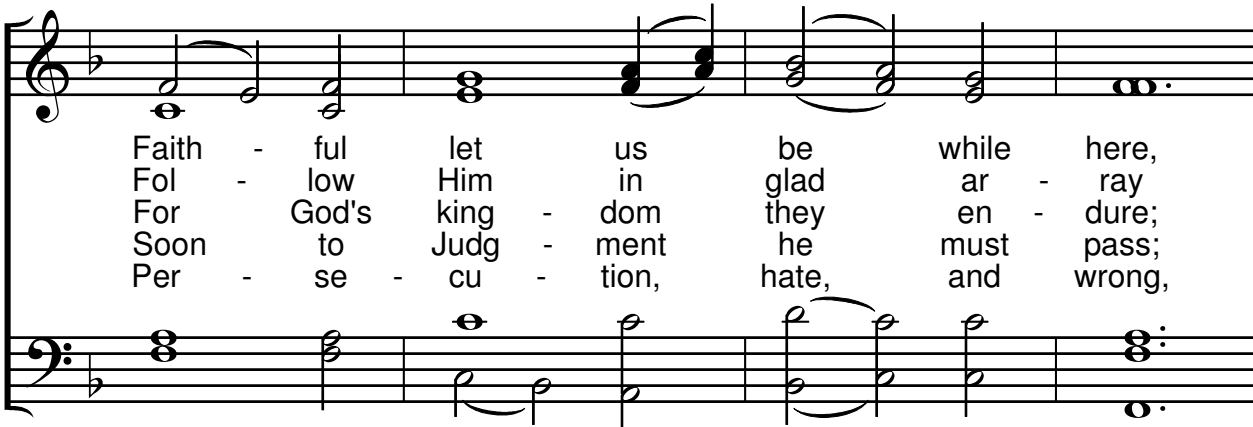

99, 119, 253.

1. God with us! We need not fear;
 2. See, our Sav - iour leads the way;
 3. Fierce - ly shall our foe ap - proach;
 4. Do not fear the tempt - er's wrath,
 5. We be - hold the heav - 'nly throng

Je - sus crowns with life e - ter - nal;
 Tri - umph marks His ev - 'ry foot - step;
 Man - y breth - ren of brave are fall - ing;
 Though the man of sin be rag - ing;
 Who in ag - es past have suf - fered

Faith - ful let us be glad while here,
 Fol - low Him in glad ar - ray
 For God's king - dom they en - dure;
 Soon to Judg - ment he must pass;
 Per - se - cu - tion, hate, and wrong,

Till God ends our pil - grim jour - ney;
 Brave - ly with cou - ra - geous ef - fort!
 Life e - ter - nal is their call - ing.
 And then, breth - ren, we shall en - ter
 Who for God their lives have of - fered;

Trum - pets for the con - flict sound;
 Though He leads through blood and death,
 He in end - less bliss shall live
 Where no sor - row be - hold is known,
 Look be - yond, their course;

Up ye val - iant, stand your ground!
 He - roes nev - er lose their faith.
 Who for Christ his and life will give.
 Where all dread and fear have flown.
 Strive as they, to heav - en's doors.
