5. See in faith, and hope and love
Lies the power from above;
But one Baptism, faith, and Lord,
Spirit, head, in one accord.
6. This adorns our brotherhood,
For God's reign is always good;
Brethren, look upon your way
To your Saviour ev'ry day.
7. Love each one in truth sincere,
To confess, O, do not fear
God's free grace in Christ, our Lord,
Who to us gave this reward!
8. Father, Son, and Holy Ghost,
Three in one, so shall the host
Of those born of God above
Be as one in holy love.
9. As the water, spirit, blood,
All unite in holy flood,
Unto him who God's advice
Did accept as good and wise.
10. Also does this bond unite
Heart and heart in faith and light;
Many in one body be,
Many souls in unity.
11. Just one Lord and just one Bride,
Whose gaze does on Him abide,
May the Spirit love inspire,
Calling: "Come, my heart's desire!"
12. Come, O Jesus, come, appear;
Call Thy bride from far and near;
Show Thy countenance so bright
In eternal heaven's light!
